

HEALTH AND SAFETY POLICY

OUR BELIEF:

NT Airports values the health and safety of all our employees, contractors and other stakeholders that use and visit our airports. We believe that everyone has a right to work in a safe environment.

OUR COMMITMENT:

We are committed to the highest standards of safety and will strive for continual improvement in our safety performance.

OUR ACTIONS:

- Aspire to zero harm - ensure safety is our number one priority as we commit to achieving a safe and accident free business;
- Operate a safety and risk management system, aligned to relevant International and Australian standards;
- Develop and implement "Safety Action Plans" for each airport. These will be the key drivers in ensuring we achieve our targeted outcomes;
- Empower our people with quality training and resources, ensuring they are "safety leaders" within our business'
- Engage and motivate our people to maintain safe operating procedures;
- Ensure compliance with relevant safety legislation, standards and codes of practice;
- Generate concise and accurate reporting systems including internal and external audits, safety inspections and safety observations; and
- Ensure that all contractors and other stakeholders working within our environment comply with all OHS requirements set out by NT Airports.

It is management's role to establish these safety commitments as a priority and to communicate safety expectations. It is the responsibility of every individual to be actively involved in our commitment to safety.
