

Current situation

NT Airports is continuing to monitor the COVID-19 situation. Our priority remains the wellbeing and safety of our staff, contractors, visitors and travellers, and we are taking all the necessary precautions to ensure our people are protected.

As we come into the Easter long weekend, we would like to remind everyone to follow the recommended health and travel advice and stay home to stay safe.

We wish you all a very happy and safe Easter.

Latest advice

There have been 28 confirmed cases of COVID-19 in the Northern Territory.

At this time, there is no community spread of this virus in the Northern Territory and it is important we all continue to follow the recommended advice to keep it this way.

Alice Springs Airport will be temporarily closed from Saturday 11 April to Sunday 12 April and will reopen on Monday 13 April 2020.

Support for tenants

This is a difficult time for everyone and we understand the significant pressure many of our tenants are currently under.

On 7 April 2020, the Prime Minister announced a new mandatory code of conduct to support commercial tenants. This code will apply to tenants who have experienced financial hardship as a result of COVID-19 and who are eligible for the JobKeeper program.

On 8 April 2020, the Northern Territory Government also announced additional support to Territory businesses.

NT Airports is currently working through the details of these two announcements. We will be contacting our tenants to discuss the recent government announcements and the available relief packages as soon as possible.

We encourage all of our tenants to stay in touch with us during this period.
