

## Current situation and restrictions

NT Airports is continuing to monitor the COVID-19 situation. We thank you for your ongoing cooperation and understanding during this time. Our priority remains the wellbeing and safety of our staff, contractors, visitors and travellers.

It is mandatory for all staff and contractors to wear face masks in common areas of the terminal. Your safety is our priority and we ask that you please do this as a precaution when visiting the terminal.

From 17 July 2020, Territory borders opened to interstate travel. On arrival, passengers from interstate will need to:

- Complete and print an online *NT border entry form*, which will be made available at [coronavirus.nt.gov.au](https://coronavirus.nt.gov.au)
- Bring the completed *NT border entry form*, photo ID and a pen on the flight
- On arrival, remain seated and await instructions for disembarking the plane
- Passengers will be asked if they have been through a COVID-19 hotspot
- Passengers will then be directed to checkpoints for processing by Northern Territory Department of Health
- Passengers will be asked to sign and submit the *NT border entry form* in front of an authorised Department of Health officer.

Those who have *not* been in a COVID-19 hotspot will be free to collect their baggage and leave.

Passengers who *have* been in a declared COVID-19 hotspot must undergo 14 days mandatory, supervised quarantine in a government facility at their own cost.

There may be delays for travellers passing through our airports as part of increased processing and precautionary measures. We ask for your patience and understanding during this process.

We are actively improving our airport facilities and procedures to ensure our people are protected and to enable appropriate social distancing and hygiene. This includes regular cleaning of the terminal and antibacterial spraying.

## Latest advice

There are two active case of COVID-19 in the Northern Territory. It is important that we continue to follow the recommended health and travel advice and avoid becoming complacent.

## Airport operations

Alice Springs Airport has reduced operating hours and there is restricted access to the terminal. There is a maximum of two people allowed at reception at any time. Operating hours will continue to be reviewed each week in line with flight schedules.

Non-stop services to Adelaide, Brisbane, Darwin and Sydney have commenced from Alice Springs Airport.

Qantas Club and Café Terra Rosa are now open. Café Terra Rosa will operate between 8am and 3pm on Tuesdays, and between 10am and 1pm on Monday, Wednesday, Thursday and Friday.

It is important that we continue to adhere to mandatory work health and safety requirements, particularly the Airside PPE Policy. For more safety information refer to [www.darwinairport.com.au/corporate/working-airport-requirements](https://www.darwinairport.com.au/corporate/working-airport-requirements)
