Online Booking Terms

These Terms and Conditions (Terms) constitute a legally binding agreement between Alice Springs Airport Pty Limited (ASA, we or us) and you (and, if applicable, any person or entity on whose behalf you are using this website or who uses your booking to park a vehicle) (collectively, you).

These Terms govern your purchase and use of a pre-booked car park through the online car park booking facilities (Booking) we offer on our website at www.alicespringsairport.com.au (Website). Bookings are offered in respect of the Alice Springs Airport Short Stay and Long Stay car parks controlled by ASA (Car Parks).

ASA may vary these Terms at any time, without notice, by displaying the amended Terms on the Website. You should review the Terms each time before making a Booking.

By making a Booking, using the Website or using the Car Parks on the basis of a Booking, you acknowledge that you have read and understood, and agree to be bound by, these Terms, as well as the Conditions of Entry (which are displayed at the entrance of each Car Park) and Privacy Policy (all of which all deemed incorporated into these Terms).

1. Eligibility

1.1 To make a Booking you must be at least 18 years of age.

1.2 You may make a Booking by using the "Guest" functionality, or by registering and using an account (Your Account). If you create Your Account, you must keep your user name and password confidential, and must not permit any other person to use Your Account. Your Account will also enable you to manage your Bookings (including cancelling and amending Bookings – see section 8 below).

1.3 Bookings may be made for cars, motorcycles, light utilities and light vans.

1.4 You acknowledge that vehicles in excess of 2.3 metres in height or 5.0 metres in length are unable to use the Long Stay car park due to the Solar panels in situ being connected to our Solar Power electricity grid and the ease of damage. Vehicles exceeding these dimensions may use the double length bays in the Short Stay car park at the rate daily displayed for that car park.

2. Privacy

2.1 We will handle all personal information that we collect in accordance with ASA’s privacy policy, which is accessible at www.alicespringsairport.com.au (Privacy Policy), and as set out in this clause.

2.2 We will collect personal information from you when you make a Booking or create Your Account with us. If you do not provide us with this information we will be unable to process your Booking.

2.3 We may also collect other personal information from you when you use the Website (including, through the use of cookies) which we may use for business and marketing purposes. If you do not accept the use of cookies, or if you delete all the cookies used on the Website through your web browser settings, the Website may not function properly.
2.4 We may also collect other personal information from you when you use the Car Parks (including your image, licence plate number, location and movements and other information, through CCTV surveillance and number plate recognition technology) which we use for crime prevention, airport security, management and operational purposes. You will be unable to use the Car Parks unless you agree to being recorded on CCTV for these purposes.

2.5 By providing us with your personal information, you consent to us using that information for direct marketing purposes (including sending you communications by email and SMS, in relation to products, services, promotions and benefits offered by ASA and our airline partners and tenants), and for market research in accordance with our Privacy Policy. You can opt out of marketing communications sent by email, SMS or post at any time, using the opt-out mechanism provided in a communication, by logging into your account and deselecting the mailing list option, or by contacting us on the details below.

2.6 We may disclose your personal information to third parties (such as government agencies, our contractors or agents) for the business, safety, management and operational purposes for which it was collected, and as otherwise permitted or required by law. ASA will not usually disclose your personal information to recipients located overseas, unless you have consented to such disclosure or it is required or permitted by law.

2.7 For further information about how your personal information will be handled, please refer to ASA’s Privacy Policy or contact our Privacy Officer at privacy@ntairports.com.au.
